

## All-Over Design *(all calculations are for a top that is 72" x 90")*

- One design stitched from edge to edge over the entire quilt.
- Choose from templates, pantographs, or freehand designs.

**\$0.018 to \$0.03 per square inch** *(depending on density)*  
**Minimum \$50**

72 x 90 = 6480 x .018 = \$116.64\*      x .02 = \$129.00      x .025 = \$162.00  
 x .03 = \$194.40      \* BUDGET VALUE MEANDER = .018

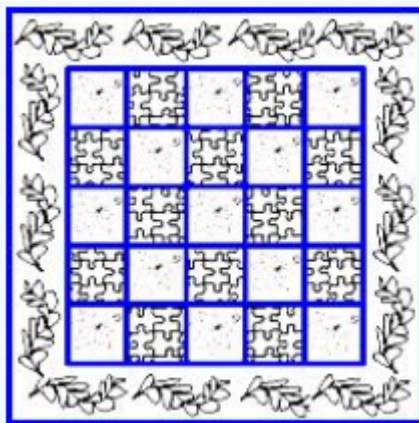

## SemiCustom Quilting

- A separate border design from the main body of the quilt
- May include stitch-in-the-ditch of one border.
- Does not include turning the quilt for side borders.

**\$0.0325 to \$0.04 per square inch** *(depending on density and # of borders)*  
**Minimum \$65**

72 x 90 = 6480 x .0325 = \$210.60      x .035 = 226.80      x .04 = \$259.20

## Custom Quilting

A combination of patterns, multiple stitch-in-the-ditch, and/or specific motifs in individual blocks. This is an art form, for those special quilts to emphasize your hard labor, whether it be applique` or intricate piecing.

**\$0.05 to \$0.10 per square inch**  
**Minimum \$65**

72 x 90 = 6480 x .05 = \$324.00      x .06 = 388.80      x .07 = \$453.60  
 x .08 = \$518.40      x .09 = \$583.20      x .10 = \$648.00

## Basting for Hand-Quilters

Longarm machine basting

**\$0.01 per square inch**  
**Minimum \$50**

6480 x .01 = 64.80 (this price includes basting edges and trimming)
